CONLIN OF POWER,

"If this were at all a party measure t should feel extremely diffident about a: pearing here. But it is a proposition to undo all the essentials of the work of the Legislature of 1895 in reference to the Police Department of New York City. In reply to Commissioner Roosevelt, I will say that the Police Beard never made any protest against the bi-gartisan features of protest against the bi-gartisan features of critic more property of the commissioner were plainly angry as they confronted each other. The Demoprotest against the bi-partisan features of cratic members of the committee shook the bill."

The politicians say that Mr. Parker, because of his alliance with Conflin, became independent even of Mr. Platt, with the latention of holding the balance of power and dictating to the political organizations having designs on the Police Department. This annoyed Mr. Platt, and a reconcillation between him and Rooseveit was the result. Mr. Platt naturally wishes Ms excise machine and the New York Police Department to work in harmony, and he is oredited with believing that if he controls both machines he can carry New York next Fall.

Terrible Tragedy.

The bi-partisan bill sought to give the contents of his statement, and said:

"The bi-partisan bill sought to give the contents of the contents of the committee shook with laughter; the Republicans looked on; with his lead pencil. For several seconds the executive head of the force, so that he could act as he thought best. Commissioner Rooseveit admits that he always consulted the Chief, which is a most cloquent testimonial to the fact that he always deferred to the Chief's better acquaintance with the force. The old system of police control developed historic evils, which accountlated and intensified so that at last the whole population of the city site of the conditions to show the correctness of his statement, and said:

"The bi-partisan bill sought to give the chief, all the power that he might need as the executive head of the force, so that he could act as he thought best. Commissioner Rooseveit and Parker resumed his seat that he always consulted the Chief, which is a most cloquent extimonial to the fact that he always deferred to the Chief's better acquaintance with the force.
